

# KOREA-EU ICT COOPERATION EVENT

June 22, 2009

Daejeon Convention Center, Daejeon, Korea

4-19  
Doryong-Dong, Yuseong-gu, Daejeon, Korea  
Tel: +82 42 821 0114

Location  
<http://www.dcckorea.or.kr>

## EVENT BACKGROUND

This event is co-organised by IITA and by the COJAK FP7 project, coordinated by Sigma Orionis (<http://www.sigma-orionis.com>), funded by the European Commission's DG Information Society and Media and aiming at supporting the development of EU-Korea cooperation on ICT research, particularly under the European Union's FP7 research funding programme (FP7).

The event is part of a series of cooperation events that includes the 'Cooperation Forums on ICT research' held in Seoul on June 16-17, 2008 and in Brussels on December 1-2, 2008, and of the 'Seminars' held in Daejeon on June 18, 2008 and in Brussels on December 3, 2008.

## EVENT OBJECTIVES

The objectives of this event are twofold:

- Introduce in detail the opportunities offered by FP7 to strengthen the cooperation on ICT research between Korean and European organisations, and update participants on FP7 recent developments (especially on coming calls). This objective will be addressed through the "Korea-EU cooperation under FP7" session of the event, in which Korean Universities, research institutions and companies will find a particular interest,
- Develop an open discussion on the possible solutions to the problems faced by Korean and European organisations willing to develop cooperation projects, particularly under FP7: how to improve access to information on FP7 and search for partners, how to ensure the funding of Korean organisations, how to provide suited support and guidance to interested organisations, etc.? This objective will be addressed through the "Seminar on Korea-EU Cooperation framework" held in the afternoon, during which invited Korean and European organisations with an experience in the development of joint R&D projects will contribute.

## EVENT PROGRAMME

The event will start at 10:00 and close at 14:00 (16:00 for those invited to the afternoon Seminar). Welcome of participants will start at 09:30. Lunch will be offered. The programme structure is illustrated here while a detailed programme agenda is available on the <http://www.eurosouthkorea-ict.org> web site.

09:30 - 10:00	Welcome of participants
10:00 - 10:30	Opening session Welcome addresses from Korea and Europe Names to be announced
